

Production Assistants – San Fran

EventLink is seeking 4-6 Production Assistants, in San Francisco, to assist with production for our adult beverage client events.

PA's will perform various types of behind-the-scenes labor in event settings including transporting, building, and placing sets; lighting, and props; and completing miscellaneous event-related duties.

Requirements

Must be 21+ and have a valid CA driver's license.

Must be physically able to perform production duties. Lifting assets up to 75lbs., bending, kneeling and reaching may be required.

Must have basic construction skills, such as the ability to identify how things are put together and what tools are needed.

Must be dependable and willing to adapt to quick changes in scheduling.

Excellent hourly rate. Up to 20 hours per week.
